E2. Changes to prescription drug coverage

Changes to our Drug List

An updated *List of Covered Drugs* is located on our website at <https://wellcare.healthnetcalifornia.com>. You may also call Member Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*.

The *List of Covered Drugs* is also called the “Drug List.”

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the Drug List to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at the numbers at the bottom of the page to ask for a list of covered drugs that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 30 days of medication at a retail pharmacy and at a long-term care pharmacy, up to 31 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)
 - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug. To learn what you must do to ask for an exception, refer to Chapter 9, section F of the 2023 Member Handbook or call Member Services.
 - If you have been in the plan for more than 90 days and live in a long-term care facility, we will cover a one-time 31-day supply, or

If you have questions, please call Wellcare Dual Align 129 (HMO D-SNP) at 1-800-431-9007 (TTY: 711). Between October 1 and March 31, representatives are available Monday–Sunday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday–Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit <https://wellcare.healthnetcalifornia.com>.

less if your prescription is written for fewer days. This is in addition to the long-term care transition supply.

- If you are moving from a long-term care facility or a hospital stay to home, we will cover one 30-day supply, or less if your prescription is written for fewer days (in which case we will allow multiple fills to provide up to a total of a 30-day supply of medication).
- If you are moving from home or a hospital stay to a long-term care facility, we will cover one 31-day supply, or less if your prescription is written for fewer days (in which case we will allow multiple fills to provide up to a total of a 31-day supply of medication). You must fill the prescription at a network pharmacy.
- Some Drug List exceptions will still be covered next year. Refer to the approval letter you received. The approval letter includes information about your specific drug approval limits and the date the drug coverage will end. If we decide to not renew your approval, we will send you a new letter at least 60 days prior to the end of the year. This letter will include when the specific drug exception approval will end and how to ask for an exception. To learn what you must do to ask for an exception, refer to Chapter 9, section F of the 2023 Member Handbook or call Member Services.

Changes to prescription drug costs

We moved some of the drugs on the Drug List to a lower or higher drug tier. If your drugs move from tier to tier, this could affect your copay. To find out if your drugs are in a different tier, look them up in the Drug List.

The following table shows your costs for all covered Part D drugs.

If you have questions, please call Wellcare Dual Align 129 (HMO D-SNP) at 1-800-431-9007 (TTY: 711). G. Choosing a plan

G1. Staying in our plan

We hope to keep you as a plan member. You do not have to do anything to stay in our plan. If you do **not** change to another Medicare plan or change to Original Medicare, you automatically stay enrolled as a member of our plan for 2023.

If you have questions, please call Wellcare Dual Align 129 (HMO D-SNP) at 1-800-431-9007 (TTY: 711). Between October 1 and March 31, representatives are available Monday–Sunday, 8 a.m. to 8 p.m. Between April 1 and September 30, representatives are available Monday–Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit <https://wellcare.healthnetcalifornia.com>.

G2. Changing plans

Most people with Medicare can end their membership during certain times of the year. Because you have Medi-Cal, you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage Open Enrollment Period**, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example:

- You moved out of our service area,
- Your eligibility for Medi-Cal or Extra Help changed, **or**
- If you recently moved into, currently are getting care in, or just moved out of a nursing home or a long-term care hospital.

Your Medicare services

You have three options for getting your Medicare services. By choosing one of these options, you automatically end your membership in our plan.
