## 2020 Medicare Part D Transition Policy & Temporary Supply Claims Processing – Long Term Care **(REVISED TABLE ONLY)**

If a health plan member and a drug are eligible for a transition fill, the claim will automatically approve without the need for the pharmacy to submit an override code. If a claim does not approve and the pharmacy believes the health plan member and the drug should be eligible under the Medicare Part D or MMP Transition Policy, the pharmacy should call the CVS Caremark Pharmacy Help Desk at 1-888-865-6567 to request a temporary supply override.

## Claims Processor Information

Medicare Part D and MMP pharmacy claims processing functions are performed by CVS Caremark.
