Website Details

wellcare By health net™

Your time is valuable. *That is why we are constantly striving to improve the provider website and your provider portal.*

Take care of business quickly and easily and get back to what is really important – your patients.

What you will find on provider.healthnet.com

The public provider website at **provider.healthnet.com** has the following topics and more to learn from:

- Register for the secure portal.
- Learn how to submit claims online.
- Get pharmacy information.
- View webinar calendars.
- Get medical policies at your fingertips.
- Find frequently asked questions (FAQs) and answers.

Your secure portal on provider.healthnetcalifornia.com

If you do not have access to **provider.healthnetcalifornia.com**, you must register for an account to access member information, submit claims and more.

1. Go to **provider.healthnet.com**.

2. Select *Register for a new account*. The link will take you to **provider.healthnetcalifornia.com** to register for your account.

3. Select *Create An Account*.

4. Follow the prompts until registration is complete.

For detailed information on what is available to you on the public provider website at **provider.healthnet.com** and the secure provider portal at **provider.healthnetcalifornia.com**, review our guide *Save Time Navigating the Provider Portal.*

The *Save Time Navigating the Provider Portal* guide can be accessed in the Provider Library at **providerlibrary.healthnetcalifornia.com** under *Forms and References.*
