

2023 CalAIM Master Training

Trainings provide a learning opportunity for care coordination and best practices for caring for health plan members through CalAIM. Everyone is welcome to attend, including CalAIM providers, staff and others who want to learn more about Community Support services (CS) and Populations of Focus (PoF) served through Enhanced Care Management (ECM).

All trainings are live webinars. Please see dates, topics and registration links below.

Please note: Dates are subject to change.

For questions, please contact: HNcommunitysupports@healthmanagement.com.
